## Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order, as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the Plan. Ford Motor Company is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

## VAT

VAT is shown calculated at 17.5%. The total price of a vehicle, including factory-fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

## Vehicle Excise Duty

The Vehicle Excise Duty charge is applicable at the time of supply.

## Price and specification changes

The prices and specifications in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer, as there may have been changes in view of the Ford policy of continuous development. The right is reserved to change specification, prices and colours.
